## DWELLTECH SOLUTIONS RETAINS WONDERGEM CONSULTING

*Grand Rapids, Mich. (April 15, 2011)* – Wondergem Consulting, Inc., a Grand Rapids-based public relations firm, today announced Dwelltech Solutions as its newest client. Dwelltech Solutions retained Wondergem to provide media relations services.

### **About Dwelltech Solutions:**

Dwelltech Solutions was founded in 2009 to meet the growing need for complete energy audits, from the assessment, to recommending solutions and implementing the repairs. The Grand Rapids-based company provides complete diagnostic solutions with the latest energy technologies and sustainable designs. Dwelltech is Building Performance Institute (BPI) certified and also employs a reputable, experienced construction team.

### **About Wondergem Consulting:**

Wondergem Consulting (WCI) has a 23-year history serving a broad array of private and public sector clients, including those in manufacturing, medical research and health care, economic development, higher education, government, transportation, hospitality and tourism, arts and culture, human services, retail, architecture, real estate development, information technology and law. The firm provides media relations, event planning, board development, crisis management, information strategy, issues management and fund raising services.
